ABOUT CINP

The International College of Neuropsychopharmacology (CINP) (Collegium Internationale Neuro-Psychopharmacologicum) is a truly worldwide organization established over 60 years ago in Zurich, Switzerland and can count on a widespread support from all over the world by its active members.

Holding regular meetings in form of Training, Educational Programs, International Meetings and World Congresses, CINP reaches interested researchers all over the world.

Clinicians hear about the latest research advances and new treatments whilst researchers hear about new clinical needs and problems.

Therefore, CINP is dedicated to promoting research and education on a worldwide basis.

CINP MISSION

To encourage and promote international scientific study, teaching and the application of neuropsychopharmacology.

CINP OBJECTIVES

- To facilitate training of psychiatrists in quantitative rating scales and ethical research methodology to enhance manpower for clinical trials worldwide.
- To maintain partnership and cooperation with the worldwide pharmaceutical industry.
- Critical thinking about the limits of psychopharmacology, ethical issues in psychopharmacology research, and early warning systems about side effects of psychopharmacology treatments.
- To provide advice and consultation for the evaluation of all aspects of neuropsychiatric drugs, including biochemistry, pharmacology, safety and therapeutic efficacy
- To improve and advance research activities thus leading to improved patient care.

ABOUT 2020 CINP WORLD CONGRESS

Leading edge meetings of major impact. The biennial CINP World Congress is held in major cities around the world, provides a forum for the presentation of the latest findings in neuropsychopharmacology and allow the world’s leading scientists and clinicians to exchange ideas and information.

The 32nd CINP World Congress of Neuropharmacology includes plenary lectures, cutting edge scientific symposia, poster sessions and educational and scientific workshops and are acknowledged to be among the very highest quality scientific programmes in this field.

Delegates from all around the world and an excellent mixture of clinicians and basic scientists from all backgrounds get together to share their knowledge and expertise in the field of neuropsychopharmacology.

We hope to see you at the next CINP World Congress 2020 in Taipei, Taiwan!
Taipei is an amazing modern city with an innumerable amount of historical attractions, numerous acclaimed night markets, shopping districts, as well as cultural amenities like modern coffee houses, museums, and more.

The skyline is crowned by the 509m-tall, bamboo-shaped Taipei 101 skyscraper, with upscale shops at the base and a rapid elevator to an observatory near the top.

Taipei is a tough little city whose beauty lies in its blend of Chinese culture with a curious fusion of Japanese, Southeast Asian and American influences.

Taipei’s menu of museums run the gamut from world class to outright wacky. From colony to contested country, Taiwan’s recent history is one of the most compelling reasons to visit this city.

The Taipei International Convention Center (TICC) has has become Taiwan’s top venue provider. Every year, the TICC hosts an average of 850 major events, such as world congresses, forums, concerts, and product launches. The TICC has everything needed to make any event a success.

Let us build together the sponsorship package that matches your budget and fulfills your objectives. Sponsorship levels are flexible to allow you to choose the items that really speak to you.

Select your items from the Sponsorship Opportunities List on the next pages. When your selections reach the minimum levels shown on this page, you will receive the additional benefits listed for the corresponding level.

Or you can first select your level and use your contribution as “credit” to select the Sponsorship Opportunities to build your own package.

All items are sold on a first come first-served basis. Level sponsors have first choice in selecting booth location, followed by exhibitors on a ‘first-paid, first-served’ basis.

Please contact Shalini Padman for special items and opportunities not listed here.
